

ST. FRANCIS CONVENT CO-ED SCHOOL, PATEL NAGAR, BHOPAL

Annual Curriculum and Pedagogical Plan (2026-2027)

Class: UKG

Subject: English

Months	Topic	Learning Outcomes	Assessment Tools	Teaching Learning Strategies/ Activities	Resources	Inter-disciplinary/ Multi - disciplinary	Art Integration or Sports Integration
April	Alphabets (A–Z) Cursive writing (Aa-Hh)	Recognize and name all uppercase and lowercase letters Identify letter sounds	Flashcards Oral quizzes Letter tracing worksheets	Letter songs & chants -Alphabet games Storytelling with letter characters	Alphabet charts Letter blocks	Language & Art (drawing letters) Language & Music (phonics songs)	Crafting letters with clay Alphabet hunt in playground
June	Cursive writing (Ii-Zz) Vowels: a, e, i, o, u	Identify vowels Understand short vowel sounds Differentiate vowels from consonants	Matching games Sound recognition tests	- Interactive sound activities Songs with vowel sounds Rhymes	Phonics books Vowel cards	- Language & Music Language & Science (animal sounds)	Singing vowel rhymes Vowel hopscotch
July	Use of 'a' and 'an'	- Correctly use 'a' and 'an' based on initial sounds	- Fill-in-the-blank worksheets- Oral exercises	- Role play Group speaking activities Visual aids	Picture cards Sentence strips	Language & EVS	Role-playing: "I'm a/an..." object
	I and My	Use 'I' and 'My' in personal context Form simple sentences	- Observation Sentence building cards	- Puppet talk Mirror speaking Drawing self & belongings	Storybooks Mirror for self-identification	Language & Life Skills Language & Social Studies	Drawing "My family" Games: "I am..." introduction circle
	He / His	Understand basic male pronouns usage	Role-play, sentence completion	Flashcards, puppet shows, guided practice through stories	Picture books, toys	Grammar and speaking practice	Drama-based pronoun games

August	She / Her	Understand basic female pronouns usage	Oral responses, fill-in blanks	Real-life examples, conversations, storytelling	Visual aids, dolls or puppets	Listening and comprehension activities	Role-play, craft puppets for storytelling
	One & More Than One	Understand singular and plural concept	Object sorting, activity sheets	Hands-on counting activities, songs about quantity	Beans, pebbles, picture worksheets	Math: counting, quantity sense	Use of props in group games
	Use of 'is' and 'are'	Apply appropriate verb usage in simple sentences	Sentence building, flashcards	Sentence basket games, group discussions	Grammar charts, flashcards	Early sentence formation	Sentence relay race
September	Use of 'has' and 'have'	Differentiate verb usage with singular/plural pronouns	Mini quizzes, matching activities	Daily routine discussions ("She has a dog"), peer interviews	Everyday objects, visuals	Vocabulary development, personal expression	Story drawing ("What I have")
	Use of 'in', 'on', 'under' (Prepositions)	Children identify & use prepositions correctly in speech and writing.	Oral questioning, Picture-based worksheets, Match-the-object activity	Storytelling, Use of real classroom objects, Action games like "Put the ball <i>on</i> the table"	Flashcards, Toys, Classroom furniture, Picture books	Environmental Studies (placing objects in space)	Treasure Hunt using "in/on/under" clues; Drawing objects under/on/in each other
	Use of 'this' and 'that' (Demonstrative Pronouns)	Students use 'this' for nearby and 'that' for far objects.	Show & tell, Verbal quiz with pointing, Flashcard activity	Use of objects placed near and far, Interactive board games	Flashcards, Real objects, Puppet play	Math (distance comparison), EVS (classification by proximity)	Puppet theatre: children point and say "This is a cat", "That is a dog"

October	Use of ‘these’ and ‘those’ (Plural Demonstratives)	Children differentiate between 'these' and 'those' based on distance and plurality.	Group activity, Worksheet on choosing correct word, Demonstration	Hands-on practice with groups of items, Peer explanation games	Toy sets, Real objects in sets of 2+, Picture charts	Math (plural/singular), EVS (grouping items)	Group collage activity: sorting “these fruits” vs “those toys”
	Use of ‘and’ (Conjunction)	Learners connect two simple ideas using 'and' in a sentence.	Sentence completion, Oral test, Picture description	Story completion, Song and rhyme creation, Pairing objects	Story cards, Rhymes, Classroom objects	Language (sentence building), Art (describing scenes)	Drawing two-object scenes and describing them using “and” (e.g., “A cat and a mat”)
November	Use of ‘my’ and ‘your’ (Possessive Pronouns)	Children correctly use ‘my’ for self and ‘your’ when referring to others.	Role-play, Oral questions, Match-the-phrases worksheets	Pair activities, Puppet dialogues, Show-and-tell (e.g., “This is my bag”)	Toys, Flashcards, Classroom items	Social Studies (personal belongings, sharing)	Art: Drawing "My house / Your house"; Sports: “Pass the object” game (Say: “Your ball!”)
	Use of ‘here’ and ‘there’ (Location Adverbs)	Children use ‘here’ for near and ‘there’ for far locations.	Picture-based questions, Point-and-say activities, Action tasks	Object placement game, Classroom walk-around, Action songs	Real objects, Floor mats, Posters	EVS (directions, space awareness)	Drama: Pointing and saying "The toy is here"; PE: Object hunt using clues
	Use of ‘what’ (Question Word)	Learners ask and answer questions using “What is this?” or “What do you see?”	Oral Q&A, Flashcard games, Object identification	Picture talk, Guessing games, Rhymes (e.g., “What’s in the box?”)	Toys, Flashcards, Mystery bag	Science (naming animals, food, etc.)	Art: "What is this?" drawing game; Sports: "What am I holding?" activity
	Use of ‘where’	Learners ask and answer location questions like “Where is the cat?”	Listening & speaking tasks, Object location quiz	Hide & seek games, Story time with questions, Picture-based tasks	Pictures, Toys, Classroom objects	EVS (home, school, market)	Obstacle course with directions; Art: Map of “Where is my home?”

December	Use of ‘who’	Children recognize and ask about people using “Who is he/she?”	Picture chart test, Character cards, Circle-time games	Storytelling with character focus, Puppet introductions	Flashcards, Role cards, Storybooks	Moral Science (people who help us)	Drama role-play: “Who is the doctor?”; Art: “Who is in my family?” collage
	Use of ‘when’	Learners understand and respond to time-related questions (“When do you eat?”)	Daily routine chart activity, Matching events to time	Songs about daily routine, Calendar games, Story sequencing	Timetable chart, Flashcards, Visual calendar	Math (time concepts), EVS (routine)	Clock craft; Sports: “When do you run?” warm-up song
	Rhyming Words	Recognize and produce rhyming words (cat-hat, sun-fun).	Rhyme match worksheets, Oral rhyming games	Singing rhymes, Rhyming word pairs, Phonics songs	Rhyming cards, Poems, Songs	Phonics, Music	Create rhyme booklets; Rhythm clapping or dance
	Pairs (e.g., sock-shoe)	Identify and name common pairs used in daily life.	Picture matching, Oral quizzes	Flashcard games, Pair sorting games	Real object pairs, Charts	EVS (daily objects)	Art: Make pair collages; Game: Find your pair partner
	Opposites	Understand and use opposite words (hot/cold, tall/short).	Flashcard quiz, Match-the-opposite worksheets	Song-based learning, Picture sorting, Movement games	Charts, Picture books	Math (big/small), EVS (weather)	Action game: “Do the Opposite”; Drawing opposite scenes
	Use of Yes/No	Respond to questions using yes/no appropriately.	Oral Q&A, Interactive stories	Role-plays, Puppet shows, Circle time	Puppets, Flashcards, Toys	Social skills, EVS	Drama: Ask/answer games; Game: Yes/No corners in PE
	Days of the Week	Recall and say days of the week in order.	Recitation test, Calendar-based quiz	Songs, Visual calendar, Daily routine chart	Charts, Flashcards, Songs	EVS (routine, weather)	Song with actions; Calendar art with each day

	Months of the Year	Recognize and name all 12 months.	Oral quiz, Matching activity	Songs, Birthday chart games, Story integration	Birthday/month flashcards, Calendar	EVS (seasons, festivals)	“Month train” craft; Birthday relay game
	Colours	Identify and name common colours.	Colour sorting, Drawing tasks	Colour hunts, Mixing colours, Colour songs	Colour toys, Crayons, Flashcards	Art, EVS (fruits, flowers)	Colour mixing art; Game: “Find red and run!”
January	Counting Numbers (1–10 in English)	Count and name numbers 1–10 with objects.	Count & match worksheets, Oral counting	Finger play, Counting songs, Block games	Toys, Counting objects, Charts	Math, Music	Hopscotch with numbers; Count-and-color art
	Composition (e.g., 2-3 lines about a cat)	Speak 2–3 sentence compositions on familiar topics.	Oral expression, Picture-based prompts	Picture talk, Sentence starters, Guided writing	Picture cards, Board drawings	Language, EVS	Drawing + describing activities; Speaking circle
	Conversation Practice	Participate in simple conversations.	Role-play assessment, Observation	Pair talk, Teacher-student talk, Daily routine discussions	Toy phones, Role cards	Moral Science, Social Skills	Puppet conversations; Greeting games
	Story Time: The Hare and the Tortoise	Comprehend, retell, and learn moral of the story.	Story retelling, Q&A, Picture sequencing	Storytelling with props, Dramatization, Puppet show	Story cards, Puppets, Props	Moral Science (values), Art (characters)	Role play; Mask-making of hare/tortoise

MATHS

Month	Topics	Learning Outcomes	Assessment Tools	Teaching-Learning Strategies	Resources	Interdisciplinary Link	Art/Sports Integration
-------	--------	-------------------	------------------	------------------------------	-----------	------------------------	------------------------

April	Measurement (length, weight, height)	Compare objects by size and weight (tall/short, heavy/light).	Picture-based worksheet, Practical object comparison	Use real objects, Story-based measurement (e.g., tall giraffe, short duck)	Ruler, scales, daily objects	EVS (body, animals, objects)	Activity: Measure and draw; Game: Heavy-light toss
	Number Names & Counting (1–20)	Recognize, count, and write numbers and names up to 20.	Oral counting, Fill-in-the-blanks, Number-object match	Number songs, Counting real objects, Tracing number names	Flashcards, Counters, Number chart	English (number names)	Art: Colour-by-number; Sports: Count and hop
June	Before, After & Between Numbers	Identify numbers before, after and between within 1–50.	Worksheets, Verbal drill	Number line activity, Flashcard sequencing	Number strips, Floor mat line	Logic building	Hop to the number (floor game); Sticker line activity
	Comparison (more/less, big/small, tall/short)	Compare quantities and sizes of objects and numbers.	Sorting activity, Oral Q&A	Object comparison games, Use of visuals and size cards	Beans, Toys, Flashcards	EVS (plants, animals), English (opposites)	Activity: Compare & draw; Sorting relay
July	Inside and Outside	Understand position using terms like inside/outside.	Object placement task, Visual worksheet	Use toy placement in boxes, Class games	Toy box, Flashcards	EVS (locations)	Treasure hunt: "Find what's inside"; Drawing: Inside a room
	Forward & Backward Counting (1–50)	Count numbers in order and reverse from memory.	Recitation, Puzzle cards	Number song, Stairs counting game, Use of number rope	Number chart, Board	Music (counting songs)	Steps game; Musical numbers
August	Numbers (21–100)	Read, count and write numbers from 21–100.	Written tests, Oral skip drills	Use bundles (10 sticks), Count and colour activities	Number grid, Sticks, Beads	EVS (objects in environment)	Abacus craft; Count-and-jump game

	Addition (1–20)	Add numbers using objects and visuals up to 20.	Addition worksheet, Oral questions	Real object counting, Finger math, Bead string use	Toys, Counters, Number line	English (story problems)	Dice addition race; Drawing: “Add and Colour”
September	Subtraction (1–20)	Subtract using visuals and real objects.	Subtraction worksheet, Practical demos	Take away game, Number line jump back	Flashcards, Counters	EVS (object grouping)	Ball toss subtraction; Art: Cut and remove shapes
October	Skip Counting (by 2s, 5s, 10s)	Count in patterns of 2s, 5s, 10s orally and in writing.	Number pattern worksheet, Recitation	Clapping rhythm, Bead stringing in 2s/5s	Charts, Beads	Music, Logic skills	Clap and count; Hop by 2s floor game
	Tables (2–5)	Begin reciting and applying tables 2 to 5.	Oral test, Table grid worksheet	Table song, Story-based multiplication	Table charts, Rhymes	English (rhythm), Memory training	Table games with balls; Finger table chant
November	Multiplication (Introduction only)	Understand multiplication as repeated addition.	Picture grouping task, Count and write	Grouping object method, Visual arrays	Beads, Pictures	Logic & reasoning	Match sticks multiplication art; Group run game
	Calendar & Time (basic)	Identify days, months, time parts (morning, night).	Daily routine check, Q&A	Use of class calendar, Songs & routines	Calendar chart, Clock model	EVS (routine), English	Art: Draw your day; PE: “When do we...” game
December	Money (Identification)	Identify coins and simple value (1, 2, 5, 10).	Role-play test, Matching activity	Play shop, Money matching games	Fake coins/notes, Shop model	EVS (shopping), Social studies	Role-play: Buy/sell; Coin rubbing art
January	Shapes (circle, square, triangle, rectangle)	Identify and describe basic shapes.	Shape puzzle test, Drawing shapes	Shape hunt, Use of blocks, Song and dance	Blocks, Shape mats, Flashcards	Art, EVS (object recognition)	Shape collage; Shape race
	Patterns (AB, ABC etc.)	Identify and complete simple repeating patterns.	Pattern worksheet, Object sorting	Bead/string patterns, Clapping sequences	Beads, Colours, Toys	Logic development	Make your own pattern; Dance pattern game

Subject :- E.V.S

Month	Topic	Learning Outcomes	Assessment Tools	Teaching-Learning Strategies	Resources	Interdisciplinary Link	Art/Sports Integration
April	meet me	Identify self ,family,and personal details	oral Q/A,self-introduction	circle time, conversation	Mirror, ID card chart	English (speaking)	Self-portrait drawing
	living things	Identify living things and their characteristics	picture identificatin	storytelling ,nature walk	Charts, Songs	science	leaf printing
June	Non-living things	Differentiate living and non living things	Sorting activity	Demonstration, discussion	Flashcards, real objects	Science	object collage
	Plants Around Us	identify different plats and their parts	oral quiz	nature walk , observation	plants charts	EVS	leaf rubbing
July	What plant give us	know the uses of plants	Matching activity	picture discussion	fruits and vegetables , flashcard	Health Science	fruit basket craft
	Animals	identify domestic and wild animals	picture identification	animal sounds , storytelling	animal toys, charts	english	animal mask making
August	My clothes	identify different clothes and seasons	Oral test	show and tell	clothes samples	art	paper doll making
	My house	identify different types of houses and rooms	picture quiz	role play	house model, flashcards	social studies	house drawing

September	Food	identify healthy and unhealthy food	sorting activity	discussion rhymes	food picture	health education	paper plates food collage
	The school	identify school places and rules	oral / Q/A	school tour	school objects	english	draw my school
October	Our neighbourhood	identify places in the neighbourhood	picture identification	community walk	flashcards	social studies	neighbourhood
	Festivals	know important festival and their signification	oral test	storytelling ,nature walk	festivals picture	moral science	greeting card making
November	Seasons	identify different seasons and clothes	picture making	discussion rhymes	charts	science	seasons wheel craft
	Air , water and weather	understand the importance of air and water	oral Q/A	simple experiments	water bowl, fan	science	rain cloud craft
December	For good health	learn healthy habits and hygiene	observation	Demonstration, discussion	soap toothbrush , charts	health education	healthy habits poster
January	Clean india	develop cleanliness habits	observation	cleanliness drive	dustbin, posters	social science	best out of waste

Month	Topic	Learning Outcomes	Assessment Tools	Teaching-Learning	Resources	Interdisciplinary Link	Art/Sports Integration
April	वर्णमाला	वर्ण पहचानना और बोलना सीखें	मौखिक अभ्यास, कार्ड गेम	गीतों और कविताओं के माध्यम से	वर्णमाला चार्ट, फ्लैशकार्ड	भाषा कौशल	वर्ण रंग भरना, वर्ण गीत पर नृत्य
	बिना मात्रा के दो/तीन/चार अक्षर वाले शब्द	सरल शब्द पढ़ना व बोलना	शब्द जोड़ो, चित्र-संबंध जोड़	शब्द-बॉक्स, चित्र पहचान	चित्र कार्ड, शब्द फ्लैशकार्ड	चित्रकला, पर्यावरण अध्ययन	शब्द बनाओ खेल, शब्द पोस्टर
June	मात्राओं का ज्ञान	स्वर और व्यंजन में मात्राएँ समझें	मौखिक-लिखित मूल्यांकन	मात्राओं पर आधारित कविताएँ	मात्राओं के चार्ट	हिंदी, लेखन	मात्रा रंग भरो, मात्रा कहानी चित्र
July	मात्राओं का व्यंजन में प्रयोग	मात्रा शब्दों का उच्चारण व प्रयोग	लिखित अभ्यास	शब्द मिलान, मात्रा पहेली	शब्द कार्ड	भाषा	मात्रा गाना व अभिनय
August	आ, इ, ई, उ, ऊ की मात्रा	स्वर मात्रा का सही प्रयोग	मात्रा पहचान कार्यपत्रक	मात्रा जोड़ो गेम	मात्रा चार्ट	लेखन	मात्रा पर ड्राइंग
September	कविता, कहानी						
October	ए, ऐ, ओ, औ की मात्रा	शब्दों में मात्रा की समझ विकसित करना	मौखिक / फ्लैशकार्ड टेस्ट	कहानी और कविता सुनाना	पोस्टर, शब्द कार्ड	पर्यावरण अध्ययन	मात्रा कठपुतली खेल
November	अं, अः, ऋ की मात्रा	विशेष मात्राओं की पहचान	चित्र पहचान, कहानी आधारित Q&A	कहानी रचना, कविता	चार्ट, कहानी पुस्तक	नैतिक शिक्षा	"अं" वाले चित्र बनाना
December	र की मात्रा (रेफ, पदेन)	र की मात्रा का सही उच्चारण	मौखिक और लिखित अभ्यास	शब्द मिलाओ, क्लैपिंग एक्ट	शब्द कार्ड	उच्चारण अभ्यास	"र" शब्द की ताल गीत
	संयुक्त अक्षर	दो वर्ण मिलाकर संयुक्त वर्ण पढ़ना	शब्द बनाओ खेल	क्लैपिंग, स्लेट वर्क	फ्लैशकार्ड, स्लेट	तर्क शक्ति	समूह में खेल: कौनसा शब्द
	वाक्य पढ़िए	2-3 शब्दों के वाक्य पढ़ना	चित्र देखकर वाक्य बनाना	छोटी कहानी पढ़ना	वाक्य कार्ड	भाषा	चित्र से वाक्य लेखन

January	कहानियाँ / रचनात्मक पठन:						
	छुक-छुक रेल	कविता सुनकर क्रियाविशेषण समझें	कविता प्रश्न	अभिनय, कविता पाठ	कविता चार्ट	रचनात्मक लेखन	अभिनय, गीत
	अच्छी बातें	नैतिक मूल्यों को समझना	चर्चा, चित्र Q&A	कहानी सुनाना	नैतिक कहानी पोस्टर	नैतिक शिक्षा	रोल प्ले
	गोलमगोल	गोल वस्तुओं की पहचान	वस्तु पहचान कार्य	वस्तु प्रदर्शन	गोल वस्तुएँ	गणित (आकार)	चित्र बनाना
	बन्दर और मगरमच्छ	कहानी से नैतिक शिक्षा सीखें	कहानी के प्रश्न	संवाद अभिनय	कहानी पुस्तक, कठपुतली	नैतिक शिक्षा	नाट्य रूपांतरण
