Annual Curriculum and Pedagogical Plan (2026-2027)

Class : Nursery

Subject :- E.V.S

Topic	Learning Outcomes	Assessment Tools	Teaching Learning Strategies/Activities	Resources	Art Integration or Sports Integration	
Colours and Shapes	Identifies basic colours and shapes.	Oral questions, matching activity	Colour sorting, shape hunt	Flashcards, blocks	Colouring, shape hop game	
House	Identifies different types of houses and own home.	Oral interaction	Picture discussion, role play	Picture cards, charts	Draw your house	
Family	Identifies family members and relationships.	Oral questions	Family photo discussion	Family pictures	Family tree craft	
Fruits	Recognises common fruits and their colours.	Picture identification	Fruit basket activity	Real fruits, flashcards	Fruit stamping	
Vegetables	Identifies common vegetables.	Oral assessment	Vegetable sorting	Real vegetables, charts	Vegetable printing	
Flowers	Identifies common flowers.	Observation	Nature walk, picture talk	Flowers, flashcards	Flower collage	
Birds	Identifies common birds and their sounds.	Oral questioning	Bird sound game	Charts, videos	Bird mask making	
Domestic Animals	Recognises domestic animals and their uses.	Picture identification	Animal story, matching	Animal toys, charts	Animal walk race	
Wild Animals	Identifies wild animals and their habitats.	Oral questions	Storytelling	Flashcards, videos	Animal movement game	
Water Animals	Identifies common water animals.	Observation	Aquarium pictures	Charts, toy animals	Fish craft	
Insects	Recognises common insects.	Oral interaction	Nature observation	Picture cards	Butterfly colouring	

Things We Use Daily	Identifies daily use objects.	Show and tell	Object identification	Real objects	Sorting game	
Clothes	Identifies clothes worn in different seasons.	Oral questions	Dress-up activity	Clothes samples	Paper doll dressing	
Classroom	Identifies classroom objects.	Observation	Classroom tour	Classroom materials	Classroom treasure hunt	
Book and Stationery	Recognises books and stationery items.	Picture identification	Show and tell	Books, pencils, erasers	Pencil decoration	
Our Food	Identifies healthy food items.	Oral questioning	Food sorting	Food charts	Healthy plate collage	
Kitchen Articles	Identifies common kitchen utensils.	Observation	Kitchen object discussion	Real utensils	Clay utensil modelling	
Games	Identifies indoor and outdoor games.	Observation	Play activities	Sports equipment	Running and ball games	
Our Helper	Identifies community helpers and their work.	Oral questions	Role play	Flashcards	Community helper dress-up	
Means of Transport	Identifies land, air and water transport.	Picture matching	Transport sorting	Toy vehicles	Vehicle craft	
Tools	Identifies simple tools and their uses.	Oral interaction	Show and tell	Real tools (safe), charts	Tool matching activity	
Common Articles	Recognises commonly used household articles.	Observation	Object identification	Real objects	Sorting activity	
Domestic Articles	Identifies household items and their uses.	Oral questions	Picture discussion	Charts, objects	Household object collage	
Parts of the Body	Identifies major body parts and their functions.	Oral questioning, pointing activity	Action songs, mirror activity	Charts, mirror	"Simon Says" body parts game
